## Environmental Policy

Non-Standard Socket Screw Limited is committed to protecting the environment, including preventing pollution and a reducing its environmental impact.

A management system in compliance with BS EN ISO 14001:2015 is being implemented which provides framework for continual improvement to enhance environmental performance.

In setting out this policy, the company is committed to meeting its compliance obligations, including its UK legal and regulatory requirements.

### Policy Aims

- Comply with and exceed all relevant regulatory requirements.
- Continually improve and reduce environmental impacts.
- Consider environmental factors in making business decisions.
- Increase employee awareness and training.
- Become more energy efficient.
- Reduce, re-use and recycle everything we can and be aware of new opportunities and schemes to this end.
- Use licensed and appropriate organisations to dispose of waste.

All areas of the business have a collective responsibility to ensure that the aims and objectives of the policy are being achieved.
